## Denby Dale Tennis Club - Fundraising

Through grants, along with the Club's own funds, our courts and floodlights were replaced in 2013 providing the quality all-weather facilities we currently enjoy.

However, we need to be aware that these facilities require ongoing maintenance and the court surface will need replacing in the next 10-15 years with a cost of up to £100,000.

Although it might sound a long way off now, we need to build up funds in advance.

Therefore, the Club would be grateful for any ideas, or donations, to assist in raising funds!
